Finiture struttura:

- rovere laccato a poro aperto color Moka;
- rovere tinto a poro aperto color Tabacco;
- laccato satinato color Fango (disponibile solo in abbinamento alle ante e ai cassetti in rovere tinto a poro aperto color Tabacco).

Finiture ante e cassetti:

- rivestiti in pelle Glove colore 04 Testa di Moro oppure in pelle Nappa colore 781 Mastice;
- laccati lucido nei colori Sand, Celadon, Fango, Granito e Moka;
- in rovere tinto a poro aperto color Tabacco (disponibile solo con la struttura laccata satinato color Fango).

Abbinamenti delle finiture struttura/ante-cassetti:

- con struttura laccata a poro aperto color Moka o tinta a poro aperto color Tabacco, le ante e i cassetti possono essere laccati lucidi nei colori Sand, Celadon, Fango, Granito o Moka oppure rivestiti in pelle Glove colore 04 Testa di Moro o in pelle Nappa colore 781 Mastice;
 - con struttura laccata satinato color Fango, le ante e i cassetti sono sempre in rovere tinto a poro aperto color Tabacco.
- La finitura interna della struttura, delle ante e dei cassetti segue la finitura esterna dell'elemento. Il bordo delle ante e dei cassetti segue la finitura della struttura ad eccezione dell'anta in rovere tinta Tabacco che avrà il suo bordo sempre in finitura Tabacco.

Structure finishes:

- open pore Moka lacquered oak;
- open pore Tobacco stained oak;
- satin-finish Mud lacquer (available only with open pore Tobacco stained oak doors and drawers).

Door and drawer finishes:

- lined in Glove leather 04 Testa di Moro or in Nappa leather 781 Mastice;
- glossy lacquered Sand, Celadon, Mud, Granite and Moka;
- in open pore stained Tobacco oak (available only with a satin-finish lacquered Mud frame).

Structure/door-drawer combinations:

- with open pore lacquered structure in Moka or open pore stained Tobacco, the doors and drawers can be in glossy lacquered Sand, Celadon, Mud, Granite or Moka or in Glove leather 04 Testa di Moro or in Nappa leather 781 Mastice;
 - with satin-finish lacquered structure in Mud, the doors and drawers are always in open pore Tobacco stained oak.
- The inside finish of the body, doors and drawers is the same as the outside. The door and drawer edges have the same finish as the structure apart from the Tobacco stained oak door whose edges always have a Tobacco finish.

Ausführungen Gestells:

- Mokkafarbig, offenporig lackierte Eiche;
- Tabakfarbig, offenporig getönte Eiche;
- Schlammfarbig matt lackiert (nur bei tabakfarbig, offenporig getönten Eichentüren und Eichenschubladen).

Ausführungen Türen und Schubladen:

- mit Lederbezug Glove Farbe 04 Testa di Moro oder Nappa Farbe 781 Mastice;
- glanzlackfinish in den Farben Sand, Celadon, Schlamm, Granit und Mokka;
- offenporig, Tabakfarbig getönte Eiche (nur bei Schlammfarbig matt lackierter Struktur).

Kombinationsmöglichkeiten Gestell/Türen-Schubladen:

- bei Mokkafarbig, offenporig lackiertes oder tabakfarbig, offenporig getönter struktur können Türen und Schubladen im Glanzlackfinish in den Farben Sand, Celadon, Schlamm, Granit oder Mokka lackiert oder aber lederbezogen sein mit Glove Farbe 04 Testa di Moro oder mit Nappa Farbe 781 Mastice;
 - bei schlammfarbig matt lackiertes Gestell sind Türen und Schubladen immer aus tabakfarbig, offenporig getönter Eiche.
- Die Ausführung der Innenseiten des Gestells, der Türen und Schubladen richtet sich nach der Ausführung der Außenseiten der einzelnen Elemente. Die Umrandungen der Türen und Schubladen richten sich nach der Ausführung des Gestells, mit Ausnahme der tabakfarbig getönten Eichentür, bei der auch der Rand tabakfarbig bleibt.

Finition structure :

- chêne rouvre laqué à pore ouvert couleur Moka;
- chêne rouvre teint à pore ouvert couleur Tabac;
- laquée satiné couleur Boue (disponible uniquement en association avec les portes et les tiroirs en chêne rouvre teint à pore ouvert couleur Tabac).

Finition des portes et tiroirs :

- recouverts de cuir Glove couleur 04 Testa di Moro ou de cuir Nappa couleur 781 Mastice;
- laqués brillant dans les couleurs Sable, Céladon, Boue, Granit et Moka;
- en chêne rouvre teint à pore ouvert couleur Tabac (disponible unique avec la structure laquée satiné couleur Boue).

Associations des finitions structure/portes-tiroirs :

- avec structure laquée à pore ouvert couleur Moka ou teinte à pore ouvert couleur Tabac, les portes et les tiroirs peuvent être laqués brillant dans les couleurs Sable, Céladon, Boue, Granit ou Moka ou bien être recouverts de cuir Glove couleur 04 Testa di Moro ou de cuir Nappa couleur 781 Mastice;
 - avec structure laquée satiné couleur Boue, les portes et les tiroirs sont toujours en chêne rouvre teint à pore ouvert couleur Tabac.
- La finition interne de la structure, des portes et des tiroirs suit la finition externe de l'élément. Le bord des portes et des tiroirs suit la finition de la structure excepté pour la porte en chêne rouvre teinte Tabac qui aura toujours le bord dans la finition Tabac.
